

NOTICE TO OUR VALUED CLIENTS: ONLINE LODGEMENT OF RETURNS

The Zimbabwe Revenue Authority (ZIMRA) hereby advises its valued clients that with effect from **1st April 2016**, the following returns and forms will be lodged online through the e-services platform (<http://efiling.zimra.co.zw>):

- Income Tax Returns (ITF 12 C),
- Value Added Tax Returns,
- Pay As You Earn (PAYE) Remittances Advice Forms (P2s),
- Capital Gains Tax Returns,
- REV 5 Forms, and
- Presumptive Tax Returns

You are kindly advised to make sure that, between now and 1st April 2016, you are registered with ZIMRA online to enable you to access the e-services platform.

In addition to having all your Income Tax Returns submitted online, the facility also covers online issuance of Tax Clearance Certificates and applications for registration for business partnership.

It, therefore, means that all clients are required to register to get an e-services account on the e-services portal before 1st April 2016, if they have not already done so. Instructions to register for the e-services account are available on the e-filing homepage.

Please note that with effect from 1st April 2016, ZIMRA will **NOT** be processing tax returns which are submitted manually.
